- **Hardware dims:** H 930 x W 530 x D 475mm
- **Package dims:** H 960 x W 550 x D 120mm
 - **Unit Weight:** 12kg

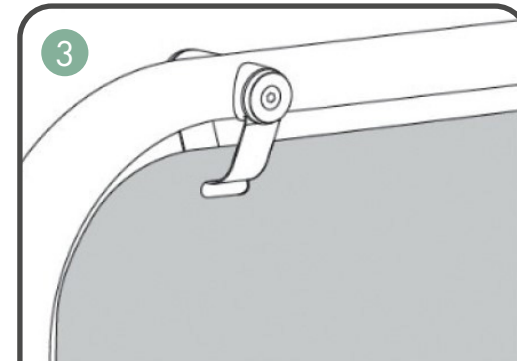

ATTACH THE SWING PANEL TO THE FRAME

Slot panel on to the hanging clips. Attach the clips to the frame using the screw and fixings provided. N.B allen key under base.

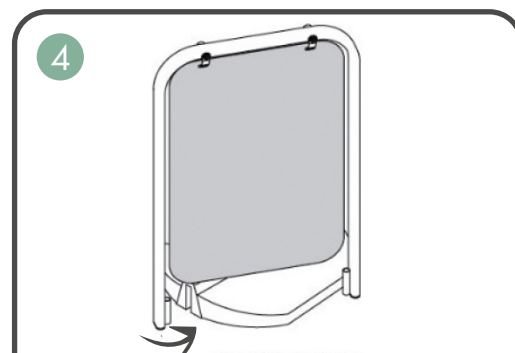

Place the curved fixing onto the frame followed by the hanging clip and the flat fixing. Screw all into place.

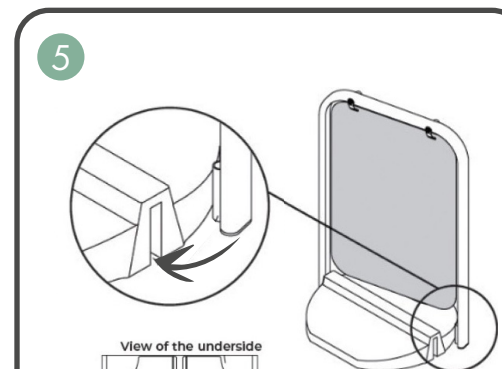

Repeat on both sides. Panel now assembled and attached to frame.

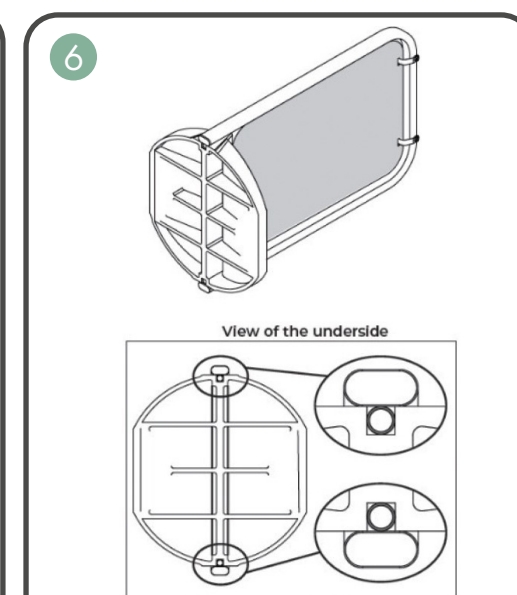

ASSEMBLE FRAME & BASE

Slot the left leg into the grooves on the base as shown.

Repeat on the right leg.

Your base should now resemble the above and it's ready to use!
